Directions

Use this PDF file of the schedule if you do not need to edit it. Just print, laminate, and cut.

I hang this schedule along the bottom of my bulletin board in one long vertical row. You can also hang it horizontally or make a poster that has 3 pictures per row or 4 pictures, etc. You could even attach these to ribbon or twine and hang them up like a banner.

If you need different wording or need a blank template to add your own text and images, use the PowerPoint version of this file which was included in your download.
