

TOILETING SOCIAL STORY

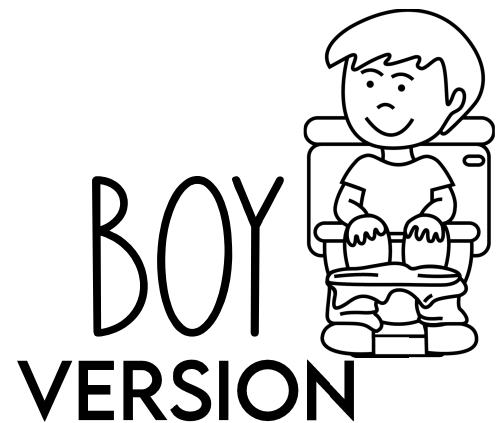

©ToolsToGrow®

Purpose: This social story is a great way to learn the toileting sequence. Breaking down the skill of toileting into smaller steps can help your child learn one step at a time.

Personalized Cover Page Instructions:

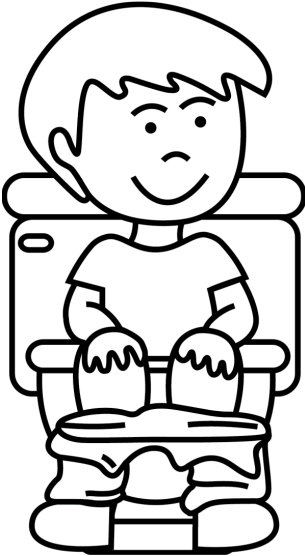

1. Save PDF on your device.
2. Open in Adobe.
3. Select appropriate cover page.
4. TYPE into title page.

Assembly Instructions:

1. Select appropriate pages.
2. Print the pages.
3. Cut along the center line as there are two story pages per sheet.
4. The story will be customized to each child's needs or situation.
5. Some pages may be added or omitted if they do not apply to the child's given situation. For example, the child may not wear underwear, but uses a brief instead.
6. Once all pages are properly arranged, staple on the left.
7. Enjoy reading with your child!
