## Public/Private – Sort Board Blank Template

You can teach your son about what behaviors are okay for public places and what activities should be kept private using pictures. In the activity below, you can help him sort which activities and places are public versus private. You can use the pictures on the pages to follow or add your own pictures.

Once your son understands what public and private mean, you can use the "public" and "private" pictures as a visual reminder. For example, if he begins picking his nose, hold up the "private" card and tell him to find a private place.

These pictures or visual reminders also can be used to prepare your son for going to a public place, such as an outing to a restaurant.
